LOUISIANA **2**step

Folks across Louisiana are starting to do the two: eating right and moving more. A balanced diet and 10 minutes of exercise three times a day can make a big difference in the way you look and feel. So eat healthy and take a hike or dance a jig – doesn't matter what you choose, just do the two! Go to Louisiana2Step.com and tell us how you do the two.

BLUE CROSS AND BLUE SHIELD OF LOUISIANA

President's Message

SGT. RICHARD PURVIS
PRESIDENT, LWAA

Hello again and welcome to the Fall/Winter issue of "Louisiana Game Warden" Magazine. Hopefully, our readers are enjoying a safe and

bountiful hunting season.

For our members, remember that the LWAA sponsors a big buck contest. Hopefully we will have plenty of entries this year. Remember that the winner earns themselves \$400 to offset the expense of having your trophy mounted, so that you can enjoy it for years to come. There is a second place prize as well as a drawing for a "random buck" that also has an award.

To our members with children who will be

graduating high school this spring, if your child is planning on furthering their education, the association has the "Jim Matkin Memorial Scholarship" set up for them. If you will go to our association web site, www.lwaa.org, you will find the application form. Please remember that all applications need to be received by the April 2008 LWAA board meeting.

We would like to invite all of our readers to visit our web site. On it you will find information on how to contact

LWAA Board Members in your area, archives of past magazines and other helpful information. Also we have opened our LWAA "online store". Everyone can purchase LWAA merchandise there that will be delivered directly to your home. Give it a look.

Until next time, stay safe.
