## Domestic Dispute Results in Recovery of Stolen Outboard

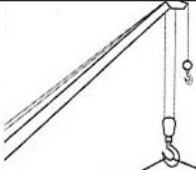

By Sgt. Kenny Balkom

**S**r. Agent Jared McIver and I (Sgt. Kenneth Balkom) were dispatched to a residence on Lake Bistineau. The call was in reference to a possible stolen outboard motor. When we arrived at the residence Webster Parish Investigators met with us and informed us that the owner of the residence was booked into Bayou Dorcheat Correctional Center (BDCC) for separate charges. The investigators thought we would be interested in a boat they located behind the residence, the serial number on the 90 horse Yamaha appeared to be removed.

It was determined that the serial number had been removed, which resulted in us seizing the outboard. We then located the hidden serial number and ran the number to find that the outboard was stolen out of Claiborne Parish in October of 2004.

I then went to BDCC and advised the suspect of his Miranda Rights and rebooked him for Illegal Possession of Stolen Things and Possession of Outboard with Serial Number Removed.

The serial number was put back on the outboard and will be returned to the owner.
