MR. BRYANT HAMMETT NAMED AS NEW LDWF SECRETARY

In December, former State Representative Bryant Hammett of Concordia Parish took command of the Louisiana Department of Wildlife and Fisheries. He was appointed by

Gov. Kathleen Babineaux Blanco after former Sec. Dwight Landreaneau resigned to pursue a career at LSU.

Mr. Hammett represented Concordia, Tensas, Madison and East Carroll Parishes while in the state legislature. During his tenure as a State Representative, he served on the Natural Resources Committee, the Ways and Means Committee and is a former Chairman of the Louisiana House of Representatives' Rural Caucus in Louisiana. Sec. Hammett is a civil engineer by profession. He is also a registered professional environmental engineer and a registered professional surveyor.

Sec. Hammett comes to us after serving on Gov. Blanco's disaster recovery team where he

led efforts to restore state and local government infrastructure following Hurricanes Katrina and Rita. Gov. Blanco describes Sec. Hammett as "a dedicated and talented leader who makes a real difference for our state. He will be a valuable member of my cabinet as Secretary of the Department of Wildlife and Fisheries and I look forward to working with him as we manage and protect our state's bountiful natural resources".

On behalf of the Louisiana Wildlife Agents Association, I look forward to working with Sec. Hammett who seems genuinely dedicated to the mission of the LDWF as well as the men and women under his command.
