

# Region 7

**SGT. PAUL STUCKEY**

## REGION UPDATE

**W**ith hunting season coming to a close, the public has played a major part in reporting violations in Region 7. Many thanks to all the great tips we received from the public this season. One such recent tip resulted in three violators arrested, two deer seized, two weapons confiscated and twenty three (23) citations being issued! Don't ever hesitate to make the call and turn in a poacher! (1 - 800 - 442 - 2511) Remember...he's stealing from YOU!

Congratulations go out to Lieutenant Len Yokum, recently promoted to Captain (Region 7 Supervisor). Senior Agent Cullen Sellers was also promoted to Lieutenant over District

VII B, which is comprised of Tangipahoa, Livingston & St. Helena Parishes.

Best wishes go out to Mrs. Rashetta "Shon" Williams as she leaves her position with LDWF and moves into the private sector.

Region 7 would like to welcome a new addition to District 7B, Cadet Clarence (Clay) Marques assigned to Livingston Parish.

Take the time to take a kid hunting or fishing. It can be a rewarding experience to both of you. Until next time, Be Safe!
